Profile

IT Technician with 7+ years of experience working with client systems, diagnostics, repairs, and upgrades in real service environments under daily workload.

I take responsibility for diagnosing issues, resolving them, and making sure systems run stable after service.

Experience

IT Technician — PC Comp (2025 – Present)

- Diagnose and resolve hardware and software issues on client systems
- Handle Windows installs, BIOS setup, upgrades, and performance optimization
- Work on multiple systems at the same time while maintaining consistency

Sales — Buton Electronics (2024 – 2025)

- Help clients choose hardware and electronics based on real use cases
- Handle communication, sales process, and after-sales support

IT Servicer — Point Computers (2019 – 2024)

- Resolved 1000+ hardware and software issues (boot failures, slow systems, hardware faults)
- Worked with 200+ client systems in a high-demand service environment
- Reduced repair time by improving diagnostic workflow

Key Work
